Lesethabiso Solutions and Services (Pty) Ltd is a black-owned startup company established in 2016.

Specialising in the maintenance and repairs of commercial and industrial buildings, we are committed to delivering quality service with a focus on sustainability and environmental responsibility.

INTRO

INTRODUCTION AND OVERVIEW

Lesethabiso Solutions & Services (Pty)Ltd - Reg. 2016/286644/07 is a startup company and black-owned private company established in July 2016. Specializing in the maintenance and repairs of commercial and industrial buildings, we are passionate about creating a Healthy and Sustainable Environment.

INTRODUCTION AND OVERVIEW

OUR FOCUS

Our targeted market encompasses various sectors, including:

- Commercial Building Maintenance
- Industrial Building Maintenance & Refurbishment
- Hydrocarbon Treatment & Chemical Spillages Cleanups

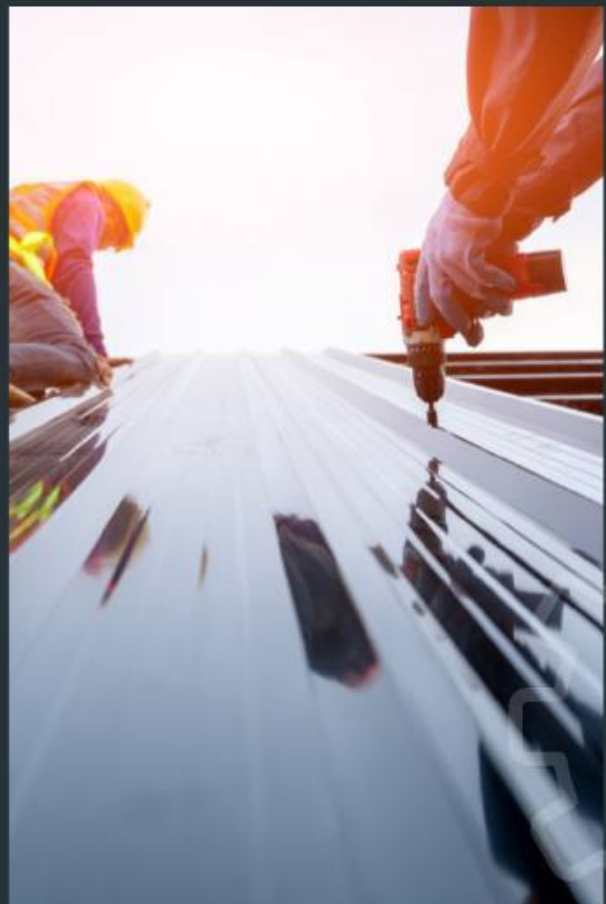

MISSION STATEMENT

Our mission at Lesethabiso Solutions & Services (Pty)Ltd is to provide our clients with expedient quality service, adhering to acceptable sound business practices. We strive for a high level of service delivery, always aiming to protect the image and integrity of our clients. Through efficient service and innovative use of skills and resources, we focus on the development of expertise in diverse areas of our business practice, ensuring that we meet and exceed the expectations of those we serve.

VISION

Our vision is to be a cutting-edge leader in the management of commercial and industrial buildings. We are committed to expedient service delivery, contributing our best to the development of environmental issues and the diverse African society.

At Lesethabiso Solutions & Services, we specialise in a comprehensive range of maintenance and repair solutions tailored to commercial and industrial buildings. Our dedicated team of professionals is committed to delivering quality service with a focus on innovation and efficiency. Below are our key areas of expertise:

SERVICES OFFERING

Commercial and Industrial Building Maintenance & Refurbishment Services

Commercial, Industrial & Residential Portfolio Building Maintenance: Regular upkeep and maintenance of commercial and industrial properties, ensuring they meet the highest standards.

Commercial, Industrial & Office Reinstatements: Specialised services to restore and refurbish commercial spaces to their original condition.

Plumbing, Waterproofing Maintenance & Repairs: Comprehensive plumbing solutions, including waterproofing maintenance and repairs to prevent leaks and water damage.

Electrical Installations, Maintenance & Repairs: Certified electrical services, including installations, maintenance, and repairs, ensuring safety and efficiency.

Carpentry, Ceilings & Dry-walling/Partitioning: Custom carpentry solutions, including ceiling installations and dry-walling, tailored to the specific needs of each project.

Exterior & Interior Wall Coatings & Wallpaper Coverings: Professional wall coatings and wallpaper coverings to enhance the aesthetics of both exterior and interior spaces.

Steel Works (roof structures, palisade fencing/wall handrails, transitional grits & steps): Custom steel works for various applications, including roof structures and fencing.

Flooring; Screed Preparation, Carpeting & Other Flooring Requirements: Comprehensive flooring solutions, from screed preparation to carpeting, to meet diverse needs.

We are honoured to have worked with a diverse range of clients, including:

OUR CLIENTS

COORDINATION AND MANAGEMENT

PROJECT

Vision

At Lesethabiso Solutions & Services, we believe in a holistic approach to project management. Our team of experienced project coordinators and managers work closely with clients, contractors, and other stakeholders to ensure that every project is executed seamlessly.

Our Business Strategic Partners

We have formed strategic partnerships with specialized companies to offer more competitive services and a fully-fledged solution-driven approach in environmental restoration. Our partners include:

Black Apple IT Services:

Specializing in IT solutions that enhance our project management capabilities.

Innovative Health Safety & Environmental (Pty) Ltd:

Focused on environmental restoration, energy efficiency management, and safety compliance.

Marketing Philosophy

Our marketing philosophy is centered on understanding the needs, wants, and values of our targeted market. We adapt to delivering the desired satisfaction more effectively and efficiently than our competitors. We don't offer just a "product with features" but a "package of benefits."

OCCUPATIONAL

HEALTH & ENVIRONMENTAL PLAN

We are committed to complying with Occupational Health & Environmental issues, respecting the safety of our team and the property and safety of the clients we serve in our daily service delivery. We embrace and take responsibility for the execution and reinforcement of OHSA requirements, ensuring a safe environment for all our staff, clients, and the restoration of our environment.
